COPEI issued strong statement last night in support of GOV and US actions and called on all sectors society back up these initiatives. COPEI leaders today expressed to Embassy officers their solid support, offered help in any way, and claimed US patient policy toward Cuba was paying off as evidenced by hemispheric unanimity.

RMR

One COPEI deputy stated that PCV Senator Jesus Faria had expressed to him serious concern situation, saying he convinced US was not bluffing and he knew for fact, having attended last world-wide Communist Party congress, that USSR could not and would not back down. This COPEI Deputy also said MIR leader Domingo Alberto Rangel told him yesterday that on recent trip to Habana Castro had told him Cuba after November 1st, "if nothing happened" would be in position help revolutionary parties throughout hemisphere.

Embassy has had no confirmation that Betancourt will speak to nation tonight but knows he is contemplating speech in next

day cr
